discover the enchanting world of modern fairy belief in scotland through the voices of 25

individuals whose stories have been meticulously gathered since the summer of 1991 inspired by dr w y evan wentz s seminal 1911 oxford thesis the fairy faith in celtic countries this book breathes new life into a largely forgotten subject despite the brilliance of evan wentz s scholarship his work faded into obscurity overshadowed by his acclaimed translation of the tibetan book of the dead the topic of fairies deemed ethnographically dubious by western academia received little attention for over two decades this project has passionately pursued the collection of folklore aiming to revive interest in the fairy faith of scotland and delve into the mysteries of pre christian european culture this book is a testament to the enduring allure of fairy tales and the rich tapestry of human belief

in this study which is first of all a folk lore study we pursue principally an anthropo psychological method of interpreting the celtic belief in fairies though we do not hesitate now and then to call in the aid of philology and we make good use of the evidence offered by mythologies religions metaphysics and physical sciences

this book depends chiefly upon the oral and written testimony so freely contributed by its many celtic authors the peasant and the scholar the priest and the scientist the poet and the business man the seer and the non seer and in honour of them i dedicate it to two of the brethren in ireland a e whose unwavering loyalty to the fairy faith has inspired much that i have herein written whose friendly guidance in my study of irish mysticism i most gratefully acknowledge and william butler yeats who brought me at my own alma mater in california the first message from fairyland and who afterwards in his own country led me through the haunts of fairy kings and queens

Recognizing the pretentiousness ways to get this book **The Fairy Faith In Celtic Countries** is additionally useful. You have remained in right site to start getting this info. get the **The Fairy Faith In Celtic Countries** associate that we have enough money here and check out the link.
